

Mikie Kuroki

I stay at the studio of SLAK from October to 28 December.

I'll hold the Open Studio as follows. I look forward to seeing you at my studio.

OPEN STUDIO

Thursday 19 December 2013 16:00 – 20:00 hrs

Spijkerstraat 19 6828 DA Arnhem

I draw a landscape. I try to cut out the scenery fragmentary and translate scenery into a material, symbolically toylike landscape.

I explore to create a mirror of world.
